DESIGNERS
GUILD

WELCOME to an evocative season
infused with the REFINED YET
DYNAMIC SPIRIT of the ancient
arts and artisanal textiles of Japan.

From the lyrical beauty of the art of
IKEBANA and the flowers within, to
the INKY INTRICACIES OF
SHIBORI DYEING and its hand-
crafted spirit and the art of SAKIORI
– the collection reflects the counterpoint of
age-old techniques and modernity, of restraint
and spirited energy, of delicacy and strength.
Neutral grounds with shimmering colourful
accents offer a NEW LANGUAGE
OF ARTISTRY and soulful
character.

With three new Essentials collections adding to
our extensive library of plains and textures; this
is a season of INSPIRATION AND
VERSATILITY.

TRADITION REINVENTED

Exquisite velvet damasks in warm, neutrals with large scale panels and raw natural linens create a refined, spirited elegance.

Inky **INDIGO,**
COBALT &
DELFT -
heavenly shades of blue.

Intricate all-over
damasks mix with wide-width raw
linens creating soulful rooms with an
artistic heart.

A SPARKLING MIX

Shades of duck egg and persimmon colour the intricate Ikebana damask on walls and curtains, while cool chalky boucle wools add texture and a note of modernity.

Panels of intricately painted, mirrored
damask **REDEFINE**

TRADITION in shades of evergreen
and peony pink with fuchsia highlights and
painted walls in Herbarium and Chalk white.

FIND YOUR CREATIVITY AND MAKE IT YOUR OWN...

Tailor your own personal mix of fabrics to create the sofa of your dreams.

Our best selling Modena sofa modules in shades of emerald, sage and lime linen make a relaxed yet dynamic statement with informal Shibori linen and Ikebana damask at the window.

DESIGNERS GUILD

We have made every effort to make the colours on screen as accurate as possible, however these may vary from actual products due to the fact that every computer monitor has a different capability to display colours and the colour appearing on screen should not be relied on as an exact match. Regular calibration of your screen is recommended to keep colours as accurate as possible.

Our full range is available worldwide.
